GLOBAL TAG T-WRISTBY

Global Tag **T-WRISTBY** is a RFID HF disposable wristband in Tyvek material.

This wristband tag is very light and it has a very good price/quality ratio. It is possible to choose the printing option, starting from an artwork layout supplied by the customer in vectorial format. The antenna of this tag is placed externally.

This special tag is a great solution for applications that require one-time-used wristbands, such as sport race with entrance fee or events.
